OPTIONS

(Choose the ones you want on our contract on reverse side)

Two Camera Ceremony \$150

A second camera to capture all the special moments from two different angles and really adds to the video (Requires Editing)

Editing of Ceremony & Reception.....\$75

90% of brides choose editing because the video is more enjoyable to watch. We include a free title page & digital effects to enhance your video without removing important scenes.

5 Year Vault Storage & Replacement Option...\$50

We keep a copy of your wedding video on a special format and store it in a vault for 5 years. If you ever lose your videos we replace them free of charge for up to 5 years!

Highlights DVD.....\$100

In addition to your edited copies you get a 15 minute highlight video of your wedding day. (requires editing option)

Deluxe DVD Upgrade \$20 per copy or 3 for \$50

This option allows you to skip through your DVD to get to the very best parts much faster!

Extra DVD (or even VHS) Copy.....\$25

You get 3 free copies, but don't forget step-parents, grandparents (who may not have a DVD player), bridal party & out of town relatives.

Original Footage.....\$35

The videographer's originals serve as insurance just like a photographer's negatives.

Original Footage on DVD's.....\$50

Two Extra Title Pages...\$25

You can list the bridal party, church, hall etc. (see worksheet on back of your questionnaire)

Times of Your Life Photos.....\$50

Set to music at the beginning of your video are up to 15 photos from childhood through engagement... maybe 5 of the groom, 5 of the bride, and 5 together (additional photos: \$3 each) in the order you choose. You can email them to us, send them on a disc or mail them to us (of course we return them unharmed).
